The conference will communicate with head coaches, as needed.

Districts shall submit full contact lists annually, so that the conference is able to share information directly with registered families, as necessary.

Training and Development

The conference shall provide required training meetings and resources for coaches that may include:

1. Mandatory Coach meeting, coordinated and run by the conference official's liaison, and official's arbiter.

5. Each District is responsible for coordinating and conducting background checks for all head coaches and two main assistant coaches for each team. Districts are responsible for covering the cost of these background checks.

Field Preparation

1. Districts are responsible for scheduling, reserving, and paying for their home fields and will arrange for their scheduled fields to be marked.
2. Districts will provide a field supervisor at each of their home game locations for games.
3. Districts may submit reimbursement requests to the conference for field expenses at the end of the season.
4. Districts with higher-than-average field costs may not be fully reimbursed.
5. Districts should have a district representative at all play-off games in which they have a team playing.

Player Registration

Districts are responsible for:

1. Determining registration fees to cover district and conference expenses.
2. Advertising.
3. Procedures for player registration.
4. Waivers - Ensure all players sign a waiver that includes items required by the insurance company.

Conference Rules

Team Formation

Teams are formed by the players' grade in the fall of current school year. Players may be allowed to play one grade up according to their own district guidelines.

Districts may provide teams in the following divisions:

- 1st/2nd Grade
- 3rd Grade
- 4th Grade
- 5th Grade
- 6th Grade
- 7th Grade
- 8th Grade
- 9th Grade

Each team, including 9th grade, must submit an official roster to the conference at weigh ins. Only eligible players on a team's roster may play for that team and only in eligible positions. Use of an ineligible player is subject to penalties found in rule violation section or at the UYFC Board's discretion.

Ineligible player includes:

- A player playing for the wrong district.
- A player playing in the wrong grade.
- X man (based on weigh-ins and official roster) who plays in violation of the X man rules.
- A player playing for a team who is not listed on that team's official roster.

Districts are responsible for ensuring only eligible players play and are responsible for investigating and reporting to the conference all allegations of ineligible player use.

Team Organization

1st - 3rd Grade Team Organization

The following rules apply for 1st-3rd grade divisions:

Districts with more than 1 team must split the teams so that both teams are competitive. Team splits can either be done by draft, or by elementary school boundaries. District rules in how to split teams do not supersede conference rules.

If a district with two teams in a grade has one team that clearly dominates and the other team is getting destroyed each week, the district may be asked to redivide their teams, or the conference may decide that the dominating team be excluded from playoffs. A/B team splits are not allowed in 1st through 3rd grade divisions therefore, teams need to be split equitably.

4th – 8th Grade Team Organization

The following rules apply for 4th through 8th grade divisions:

All districts 1st teams must play in the A division. 4th grade teams with a combination of 3rd and 4th graders will play in a separate division.

A Divisions

Districts with the most players in a grade will play in the upper A division. A second A division (D2) may be created for districts with smaller numbers in a grade. The A-D1 division must have at least 7 teams before a second A division (A-D2) is created. The conference may consider 6A/5A school classifications for A division placements, but there must be enough teams in AD1 before this is considered.

Districts with 4 teams in any given grade will have two A teams in the upper A division. Districts cannot select to have an upper A team and a lower A team.

B Divisions

Districts with two B teams in a grade will divide their B teams equally by draft and both shall play in the B-D1 division. Districts with only one B team shall play

in the B-D2 division. The conference reserves the right to adjust B team division assignments.

Districts with more players in a grade will play in AD1		7 team minimum in AD1 before adding teams to AD2
Districts with less players in a grade will play in AD2		
Districts with only 1 team in a grade will play in an A division.		
Districts with 2 teams in a grade	1 A team	1 B team
Districts with 3 teams in a grade	1 A team	2 B teams - both will play in the same division
Districts with 4 teams in a grade	2 A teams - both will play in division A1	2 B teams – both will play in the same division
Districts with 3 teams in a grade may choose to split teams with two A teams who will play in A1 division and their B team will play in division B2	Districts who choose this option will be given additional consideration to schedule more home games for those teams	

In the rare case a team needs to be moved to the next lower division, their district president may petition the conference. If a team is approved to move down after the season has started, they are not eligible to be in the playoffs.

Consideration to move a team down a division may only happen if the move does not leave the division with less than 7 teams.

The following criteria must be met before their district president can bring the issue to the full conference board for a vote:

- Have an established record with no scores during 1 season or no wins for 2 consecutive seasons.
- and 80% of the players with said record are still part of this team.
- Teams with several new players is not a reason to be moved to a lower division.

Ideal Team Size Recommendations

Player Count	Team Count	A-Team Player Count	B-Team Player Count
76+	4 Teams	2 Teams of 18	2 Teams of 20
58+	3 Teams	2 Teams of 18	1 Teams of 22
39+	2 Teams	1 Team of 18	1 Team of 21

Each team should have no more than 26 players. At the district's discretion, they can choose to add additional players above 26 to a team, however, the minimum play rule applies regardless of team size.

9th Grade Team Organization

The following rules apply for 9th grade:

- Districts with more than one 9th grade team may not flex any players.
- All 9th grade teams must provide official rosters to the conference.
- Any 8th graders playing up to 9th grade may only play for their home district 9th grade team.

Tryouts

Teams may not hold tryouts or begin practicing prior to July 25th each year. For the 2025 season only, tryouts may be held July 21st through July 23rd. Not tryouts or practices may be held July 24th through July 27th.

A/B team selection for grades 4th through 8th - all players in each grade will have an opportunity to try out for an A team. These grades will practice together for at least 3 days before selecting the A team.

Team selection for grades 1st through 3rd with more than one team in a grade will practice together for at least 3 days before teams are equally divided.

X Men

Players are deemed to be an X Man for the season, if they weigh in at or above the designated X Man weight for their grade. Players who are just under the X Man weight (within 5 pounds under the X weight) are required to attend the mid-season weigh in. Players at or over the X Man weight at the mid-season weigh in are then designated as an X Man for the remainder of the season. X Men may not re-weigh at the mid-season weigh in. Players who miss the initial preseason weigh-in will automatically be deemed as an X Man.

X Man Weights

Grade	X Man Weight
1 st /2 nd	75 lbs.
3 rd	85 lbs.
4 th	95 lbs.
5 th	105 lbs.
6 th	120 lbs.

7 th	135 lbs.
8 th	165 lbs.
9 th	No X Weight

The following rules apply for all X-men:

1. X Men can only play the following positions on offense - center, guard, tackle. They cannot line up in a position where they are eligible receivers and must be covered on the line.
2. X Men can play any position on Defense and are allowed to advance both fumbles and interceptions.
3. On special teams, X-men must be on the front two lines or line of scrimmage.
4. X Men can be a punter or kicker. They may not fake punt.
5. Offensive teams may only have 5 total X men on the field at one time.
6. Plays that the officiating crew feel are designed to get the ball to a X man will be blown dead.

Flex Players

Flex Players are conference approved players that are placed on two teams in the same grade and district. Teams can use the Flex Rule when there are more than 26 and less than 32 players to facilitate functioning teams. Flex players will be designated before the season starts.

Rules for Utilizing Flex Players:

1. Generally, this option is used to assist teams that have 15 or less players and/or are short on linemen.
2. Flexing a B level lineman up to the A level can provide additional depth of linemen for a district and a grade.
3. Flex players are B level players being added to A teams and not A players being added to B teams.
4. Flex players are generally linemen.
5. If there is a special circumstance for a skills position player to flex, said player must be approved by the Board: Example: B team quarterback being placed on the A team as a receiver.
6. Flex players must be clearly identified on both teams' Weigh In rosters as flex players.
7. 10 play minimum rule is in effect for flex players per game.
8. When a district flexes a player and places him on two teams, the conference player fee is required for specified player for both teams. Districts have discretion to charge flex players any additional fees to cover these costs.
9. Teams with Flex players can have no more than 18 players total per team.

Z Down Players

This rule allows smaller players with less experience to play down a grade. This is not meant for kids to play down to be the stars of the teams. Player must be below the Z-DOWN weight limit. All Z-DOWN players must be approved by the UYFC Board. Z-Down players must be designated on their team weigh in rosters.

Rules for Z-Down:

1. Must meet Z-Down weight criteria.
2. Absolutely no Z-Downs to an A team.
3. Player must be behind in physical development from their age group.
4. Player must first practice with his/her actual age group to be evaluated by the coach.
5. Coaches will recommend to their home district any player(s) that might benefit from Z-ing down to the lower grade.
6. Districts must receive conference approval for all Z-down players.
7. Player will be moved back to their actual age group at any time if deemed to be an inappropriate Z-Down by the conference board.
8. Player must go through ALL these steps to be considered.
9. A player will be able to Z-down to play only in the B team in the grade below their current grade if they weigh 20 pounds less than the X Man limit for the lower grade.
10. No players may Z-down to a combined division. For example, if a district has a combined 3rd/4th grade team, 5th graders will not be able to Z-down to this division.
11. Z-downs must be approved by the district, approved by the conference and indicated on the official team weigh-in roster.

Z Down weight requirements

Player's Current Grade	Z Down Grade	Player's weight must be less than:
1 st /2 nd	n/a	
3 rd	n/a	No Z downs allowed to 1 st /2 nd
4 th	3 rd	65 lbs.
5 th	4 th	75 lbs.
6 th	5 th	85 lbs.
7 th	6 th	100 lbs.
8 th	7 th	115 lbs.
9 th	n/a	No Z downs allowed to 8 th grade

Mandatory Pre-Season Weigh-In

The conference will facilitate one weigh-in opportunity before the beginning of the season. The weigh-in date will be determined and published by July 15th each year. All players across the conference are required to weigh in during that time otherwise they will be designated as an X man for the season. 9th grade does not weigh in.

Each district must provide a printed copy of each team roster before a team can be weighed. Conference representatives will weigh in teams, record player weights, and keep the recorded roster as official weigh-in record for that team.

Team rosters must include:

1. District Name (i.e. Lone Peak Youth Football)
2. Division/Grade (i.e. 5A)
3. Coach's Name
4. Individual player information that includes:
 - a. Current Photo
 - b. Full name
 - c. Date of birth
 - d. Jersey #
 - e. Z-Down or Flex designation, if applicable

Conference representatives will manage the weigh-in event.

Weigh in Rules:

1. The UYFC discourages players from trying to cut weight.
2. Teams, coaches, players, and parents must follow conference representatives' instructions.
3. Only 1 coach is allowed into the weigh in area with their team. No other adults are allowed.
4. Players must weigh in wearing a minimum of shorts and a shirt.
5. Each player will be allowed one chance to weigh in only.
6. Players who miss the weigh-in event shall be designated as X-men.
7. A makeup weigh-in may be scheduled but is not guaranteed and will not be for players trying to cut weight.
8. If a player was marked as an X-man because they missed the first weigh-in, the X designation may be removed if they weigh in well under the X weight at a makeup weigh-in. A player weighing in at an X-man weight MAY NOT thereafter have that designation removed at any time during the season regardless of weight loss.
9. Any player, designated as a mid-season weigh-in player, who fails to report for the mid-season weigh-in will automatically be considered an X man thereafter.
10. X men are required to have an X sticker on the back of their helmet in a contrasting color to the helmet. If the UYFC does not provide an X sticker, the player must use tape or some other method in a contrasting color from their helmet.

District Boundaries

The following boundary rules apply for all districts:

1. Districts will be organized by high school boundaries. Players in 1st through 8th grade must play for the high school district where they reside. 8th graders playing up to 9th grade may only play for their home district 9th grade team.
2. All players affiliated with a charter school district must be enrolled at the charter school they represent if they reside in a UYFC district boundary.
3. Any other group/district wishing to join the conference will be required to abide by the high school boundary requirements unless the Board creates a temporary exception to enable growth.
4. Any District representative or coach who is found to be recruiting out-of-boundary players will be suspended for the season. Repeat offenders will be dismissed from the UYFC. This is to prevent the formation of super teams.
5. If a player does not have a team in their home district, they must play in a geographically adjoining district or receive approval from the Board of Directors to play in a non-adjoining district. This is to prevent the formation of super teams.
6. Teams found to have out of boundary players that have not been reported and approved will have their head coach suspended from games and practices for the remainder of the season. The player(s) in question may not participate for the remainder of the year.
7. A player must play in the district where they live according to their high school boundaries. If high school district boundaries change, there may be some leeway for the affected districts to be managed through the UYFC Board of Directors.
8. The UYFC Executive Board reserves the right to request proof of residence which may include current school registration.
9. All districts must participate in the enforcement of boundary rules. The rest of the districts expect to play on the same level of roster and team formation.
10. No District President or District Representative can make changes or approvals to boundary rules. Only the UYFC Board of Directors can make boundary approvals. Horse-trading (swapping players between teams) between districts or teams is not allowed.
11. Each district, including district presidents, representatives, coaches, team moms and parents are required to enforce boundary rules at the time of registration, not once practices have started. This is to prevent the disruption of team formation once practices have started when an ineligible player is discovered and returned to their home district.
12. Out-of-boundary players who have not been approved by the conference are deemed ineligible to play. Any games they played in as an ineligible player are subject to forfeit.

Exceptions to the Out-of-Boundary Rule

1. An established (at least one year) high school coach, assistant coach, or HS staff member will be allowed to have their children play at the high school district where they work.
2. Any player that has their high school boundaries changed for their residence by the school district may choose to play between the two districts in question. This is a one- time designation per boundary change.
3. Families that have had multiple (more than 1) children matriculate through a high school will be given consideration for younger siblings to play in that district. This exception requires conference approval.

The UYFC Board of Directors must vote on all boundary exceptions and out-of-boundary requests each year. All out-of-boundary players for which an exception applies must be reported immediately in writing to the UYFC Secretary. Only district presidents can bring out-of-boundary requests to the conference for a vote. Parents may not petition the conference for an out of boundary request. It is at the discretion of each district whether to consider a request from a family (in their district or out) to bring to the conference an out-of-boundary vote.

Coaches/Adult Volunteers

The following are prerequisites for adult participation in UYFC:

1. The head coach must be 21 years of age or older. A 21-year-old or older coach or assistant must be present at all practices and games.
2. All team staff members shall adhere to the following coaching ethics during all practices and games.
 - a. Will conduct themselves according to good sportsmanship and fair play.
 - b. Will not use abusive or profane language, to players, officials, or fans.
 - c. Will not be under the influence of alcohol or drugs.

 - d. Attempting to discourage, run-off or cut less-desirable players.
 - e. Is under the influence of alcohol or drugs at games or practices.
 - f. Refusing to agree to abide by the UYFC code of conduct.

The UYFC Board of Directors reserves the right to ban individuals from coaching in the conference for these, or any other behaviors, that threaten to undermine the stability of the conference and/or participating districts.

If any coach in the UYFC leaves to coach in another conference and recruits any players from the UYFC, that coach is automatically banned from any future coaching in the UYFC.

Minimum Play Rule and Requirements

Each player shall be afforded the maximum opportunity to participate in each game. The minimum play rule applies to all regular season and play-off games. Each player will be guaranteed a minimum of 10 plays during each game. Plays on special teams count towards the minimum play rule. Players who miss practice are not subject to the minimum play requirement for the game that week.

9th Grade plays according to high school rules, there are no minimum play requirements for 9th grade.

Minimum Play/score sheets are available for download on the Conference website. It is the head coach's responsibility to ensure they have a minimum play sheet at each game.

Minimum Play/score sheets are required for both teams at all games, regardless if all players start or not and the following rules apply:

1. Each player will be guaranteed a minimum of 10 plays during each game. Plays on special teams count towards the minimum play rule.

5. Minimum play sheets must be maintained throughout the game.

6. The field supervisor will check the play sheet at half time and collect the play sheet at the end of the game.
7. Any coach caught filling out the player participation portion of the play sheet at half-time or at the end of the game will be given a warning. A second violation will result in a one game suspension for the head coach and can result in a loss of that game.
8. Players who have missed practice for any reason during the week are not guaranteed their minimum plays for the next game.

Scheduling

The conference will provide a schedule for all games. The game schedule will be posted on the conference website. The conference will work with the official's arbiter to ensure enough referee crews are available for games.

Most games will be scheduled on Saturday's. Some divisions will have their games scheduled on weeknights. This may change year to year, depending on referee and field availability. The conference board shall determine which divisions play on what specific days during the season.

Game Participation

Teams are required to show up and participate in all scheduled games. Teams who fail to show up to scheduled games (regular season, playoffs, or consolation) are subject to coach suspensions and/or team dismissal from the conference for subsequent years. Additionally, districts with teams who fail to show up to a scheduled game are subject to a fine that, at a minimum, covers field rental, referees, and field supervisor costs.

Scoring

Home team coaches are responsible for entering the game score into Team Sideline. Home team coaches will receive an automated email after each game to complete this. Home team coaches who repeatedly fail to enter scores may be subject to sanctions.

Game Fields and Spectator Requirements at Games

Players, coaches, parents, and spectators are required to abide by the following rules at all UYFC game fields, in addition to following the UYFC Spectator's Code of Conduct:

 - a. Teams with 2 or more egregious sideline behavior issues during the season (fans, players or coaches) will be excluded from playoffs.
 - b. Head coaches with 2 or more game ejections shall be banned from coaching in any capacity for any UYFC district for the remainder of the season. The rules committee shall review all ejections and appeals. During a single game, unsportsmanlike conducts count toward the head coach. Spectators

In addition to the parent, player, and coach Code of Conduct, The Utah Youth Football Conference (UYFC) has created an additional Spectator Code of Conduct to promote sportsmanship, respect, integrity, and fair play. We are committed to keep a high standard of sportsmanship in our youth football program. Players, officials, and field supervisors should be able to feel they are in a “safe” environment when they are participating or working. We desire that all parents, guardians, spectators, coaches, and participants be aware of our “Spectators Code of Conduct” before choosing to participate in our conference.

The UYFC has established the following “Spectators Code of Conduct” for everyone involved in our programs. All parents, guardians, coaches, and spectators are expected to know, promote, and adhere to the following standards of conduct:

1. Remember that participation in youth football is for the participants (players), not the spectators and coaches! Therefore, ALL participants deserve a right to fairness and being in a safe, non-threatening environment always.
2. Spectators must conduct themselves in a manner that would be an example and a role model to the youth participating (or in attendance) during all UYFC games.

3. Promote good sportsmanship by not arguing with officials, coaches or participants or other spectators. This includes staying on your team's side of the field before, during and after games.
4. Adhere strictly to the rules of the game and not attempt to change or manipulate those rules to win or for personal benefit.
5. No smoking, drinking or being under the influence of alcohol or drugs will be allowed at any UYFC games, practices, and events.
6. Abuse and harassment of players, officials, field supervisors or other spectators in any form will not be tolerated.
7. Profanity of any kind will not be tolerated.
8. Field supervisors and district presidents reserve the right and have sole discretion to dismiss any spectator(s) not adhering to this "Code of Conduct" and engaging in any negative behavior from the game site immediately. Failure to leave when asked will result in police being involved in the removal as needed. The UYFC board and rules committee will further investigate and determine any further discipline which may include game suspensions up to complete dismissal from program participation for the spectator and their players.

Violation of Rules

All parents, players, coaches, and fans must abide by the UYFC Code of Conduct, in addition to following rules outlined in the UYFC policies and procedures. The UYFC has zero tolerance for abusive behavior.

The UYFC board holds its district presidents/representatives to the same standard of behavior and sportsmanship, whether as a coach, parent, or spectator. As representatives of the conference, district representatives shall adhere to the same sportsmanlike conduct, in addition to developing and maintaining positive relationships with officials, coaches and other district representatives.

Ejection Policy

The UYFC is committed to a positive and competitive environment for young athletes. Those who disrupt any game (before, during or after) may be ejected by the officials or field supervisor.

1. Any coach who is ejected from a game must immediately leave the field/park and will not be allowed to coach (or be a spectator) for the entirety of the next game.
2. Any parent who is ejected from a game must immediately leave the field/park and will not be allowed to be a spectator for the entirety of the next game.

3. Players of parents (including assistant coaches) who are ejected shall be ineligible for the remainder of the current game and are required to sit out the first half of the next scheduled game.
4. The UYFC board, through the Rules Committee, reserves the right to further bar any coach, player, parent, or spectator for unsportsmanlike conduct for any period of time.
5. Ejected coaches, parents or players who are found in attendance at barred games, may be dismissed from the conference. Parents and coaches who do not abide by these rules risk having their players barred from any future conference participation.
6. If a Head Coach is ejected and has a player on the team, his player will remain eligible for play and can stay in the game with no penalty for the next game. All other coaches and spectators are subject to the ejection policy as written.
7. Head coaches will be suspended after their second team ejection during the season (whether it's a player or coach that is ejected). To be clear, after the second person from the team is ejected sometime during the season, or the same person is ejected twice, the head coach will be suspended for at least 1 game. Head coaches are responsible for the behavior of all coaches and players on their sidelines.

Rule Violation Penalties

A violation of any rule contained herein may subject a district, team, or individual (player, coach, parent, spectator) to any of these penalties:

1. Suspension, expulsion, ineligibility, probation or dismissal of coaches and players.
2. Forfeiture of game or games.
3. Disqualification from competing or taking part in playoff or championship games.

The UYFC board reserves the right to adopt additional penalties for rules violations, through the Rules Committee, as necessary.

The UYFC board reserves the right to close games to all spectators (including parents) if rule violations persist.

Appeals

District presidents may bring appeals on behalf of players, parents, and coaches to the conference. Districts are not required to bring any requested appeals to the conference but may do so if they choose. Parents, players, and coaches are not allowed to appeal directly to the conference. All appeals must go through their home district programs.

UYFC Rules Committee

1. The Rules Committee (RC) will be comprised of three or four volunteer conference board members (district presidents or district conference representatives), with two alternates. One RC member will be designated the lead committee member, responsible for ensuring the RC meets in a timely manner and RC decisions are submitted to the conference board. One member must be the official's liaison with the conference board.
2. The alternates will be used in cases of conflicts. It may be necessary for the lead RC member to designate an alternate lead for an issue in which they are conflicted.
3. If a RC member or alternate is not available for a meeting, then the lead RC shall coordinate with the conference president to appoint another district president as alternate.
4. A district president or representative may not vote on a matter that involves their district.
5. The RC will convene each week for the duration of the regular season and playoffs. If no disciplinary issues arise in a particular week, then a meeting is not necessary. Meeting virtually or on a conference call is acceptable.
6. In cases where a disciplinary sanction has already been established in UYFC policy no RC review is necessary. However, if a disciplined parent, coach, or player wishes to appeal the sanction, they must submit their request for an appeal to their district president/conference representative.
7. Appeals brought to the RC must be in writing and within 48 hours of the incident in question.
8. In cases of automatic sanction, the sanction is considered final and absolute if no request for appeal has been received. If an appeal is received, the sanction or RC's decision is final upon adjournment of the RC's meeting for the appeal. The appeals process is limited to one 48-hour window and one appeals meeting.
9. Each decision must be made with three committee members present and voting. Decisions do not have to be unanimous but are considered final if two of the three committee members vote a certain way. There is no abstaining, as conflicts should be removed using alternates.
10. Individual votes of RC members will not be disclosed to the public and will be kept confidential, within the conference board. The lead RC member will keep track of votes, but not for general dissemination.
11. RC decision shall be reported to the appealing district's president, who will then relay the decision to the coach or parent who appealed.
12. It is up to individual district presidents and their boards as to whether they bring the appeal to the RC.
13. RC discussions are considered confidential in nature. They shall not be shared with outside parties, with the exception being a review with the UYFC board.
14. Basic outline for RC meetings shall include discussing appeal/report received from a district president as well as information and context from the official's liaison.
15. An end-of-season report will be presented to the UYFC Board summarizing challenges, lessons learned, and recommendations for subsequent seasons. This report will also include the weekly minutes and the weekly officials report.

16. The Rules Committee follows the published UYFC Policies and Procedures to render decisions.
17. In the event of an extenuating circumstance, the RC serves at the discretion of the UYFC Board.
18. The RC shall operate with the ideals of sportsmanship, citizenship, and fair play in mind. Issues involving children should be handled delicately and fairly with compassion. The growth of the game of tackle football is top of mind.

Policy Updates and Rule Changes

These Policies and Procedures can be changed or amended at any time by the Conference Board for any reason and in accordance with the rules outlined in the UYFC bylaws. The UYFC Executive board reserves the right to update game rules as needed, to ensure updates are published in a timely manner. The conference board shall then ratify any executive board rule updates at the next regularly scheduled board meeting.

District presidents may bring rule change recommendations to the conference board. A majority vote can result in a rule change.
